## **SCOTT & CHARISSA LAMB**

Scott is our in-house innovation and church multiplication coach.

## **CATHY & RON NEWELL**

Cathy is our Office Administrator and Bookkeeper

---

# WE VALUE PRAYER

---

## **Monthly Zoom Prayer**

Along with our Regional Group gatherings, each month our Pastors join together for an hour of prayer on Zoom. We bring our personal and ministerial concerns to the Lord with the prayer support of fellow pastors from the entire District.

## **Weekly Prayer Email**

Each week a different church in the District is highlighted for prayer. This is an opportunity for each of the congregations to pray every Sunday for another congregation in the District.

# WE ARE HERE TO SERVE YOU

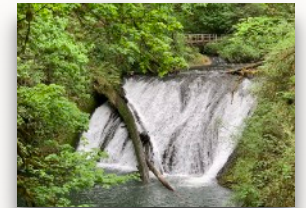

We are thankful that you are here.

You are not alone, but connected to a community of like minded churches and pastors who care deeply about you and the ministry you have been called to. The District team is here to be a resource, cheerleader, and partner. Here are some ways we can serve you:

### REGIONS / REGIONAL PASTORS:

Our district is divided into 6 regions. Your regional pastor is a teammate and first contact for you. Each region gathers most months for prayer and encouragement, along with other activities throughout the year. Take advantage of this network. It may be tempting to move into isolation when things are busy or difficult, but we promise, you will be encouraged as you choose to connect in these communities.

### SPRING CONFERENCE:

Each year the District comes together the first weekend of March. This conference is designed to challenge and encourage you, your staff, as well as others in your congregation. The two-day conference includes main sessions, worship, networking with other churches and EFCA ministries, as well as affirmation of the District board and budget.

### REFRESH:

Every November we set aside a special time to for our pastors and spouses. The focus of Refresh is simply that, to be refreshed! You will experience spiritual encouragement, amazing food, plenty of space for rest, adventure, and district connection. Because this ministry is a high value, the District offsets a percentage of the cost to you. Be sure to make space on your busy calendar for this time.

### CONSULTANT TEAMS:

**The Placement Team**, led by Jim Schultz, Pastor at Hillside on Whidbey Island, helps churches find potential candidates for staff positions while assisting candidates to find their best fit.

**The Youth Ministry Team**, led by Adam Lightbody, youth pastor at Harper Free in Port Orchard, oversees our District youth ministry while providing encouragement and coaching for youth workers across the PNW.
